Re: **United States v. Jason Galanis, et al.**
USDC, Southern District of New York Case No. 15 CR 643 (PKC)

Dear Judge Castel:

We represent defendant Jared Galanis in connection with the above-referenced action. We write, with the Government's consent, regarding the Order Setting Conditions of Release for Mr. Galanis entered at his arraignment in the District of Maryland on September 24, 2015 by U.S. Magistrate Judge Beth P. Gesner (the "Order"). Among the conditions imposed on Mr. Galanis in the Order, Judge Gesner directed Mr. Galanis to have "no case related contact with co-defendants." Given that three of Mr. Galanis' six co-defendants are members of his immediate family, along with his need to be able to coordinate his defense with his co-defendants, we respectfully request that Your Honor remove this condition of his release.

Barry Bohrer, who represented Mr. Galanis in connection with the Government's investigation, spoke with the Government regarding this issue earlier this week and was informed that the Government has no objection to this request.

Respectfully submitted,

James A. Lassart

Mr. Jared Galanis
is free to have non-case
related contact with all
co-defendants, including family
members, under existing
bail conditions. I am unsure
about the propriety or
impropriety of a

restriction on case-related
contact, I will require
no government

to state
its
position
as to
case-
related
contact
